

Professional Experience

Intermediate Designer

Threaded Creatives - (Contract)

June 2026 - Present - Bangkok

- Own FF&E design for The Burj Terrace renovation (Dubai), conducting concept research to shape design narratives that bridge aesthetics and function.
- Lead 2D/3D visualization and FF&E specification — material and finish selection for furniture and interior implementation.

Spatial Designer

Keystone Studio - (Project-Based Contract)

Mar 2026 - June 2026 - Bangkok

- Served as lead designer for SC Asset's "SC Days" exhibition.
- Directed spatial design and space planning to translate brand narrative into an immersive exhibition experience; set art direction and creative activation concepts to engage visitors.
- Produced design documentation and oversaw onsite installation, ensuring design intent was executed to spec.

Designer

Avroko

Nov 2019 - Apr 2022 - Bangkok

- Conducted in-depth concept research to formulate compelling design narratives that bridge aesthetics and functions.
- Developed 2D visualizations and 3D models and followed up with technical construction and material selection of furniture and implementation of interior design
- **Completed Projects** : Centara Reserved Samui (TH), Jumeirah Al Arab(Dubai), Cullinan Harbour (HK), Marina Bay Sands (SG) (Luxury Hospitality Sector)

Intern Architect

Sansiri Public Co.Ltd,

Apr 2018 - Jun 2018 - Bangkok

- Conducted research into customer personas and competitors, explored building codes and EIA, and developed 2D visualization for condominium projects for luxury segment.

Experience Designer

Freelance Work

May 2017 - Present

- Worked on 10+ independent projects spanning creative and experience design across graphic design, web design, digital media, exhibitions, and interior spaces.

Other Experience

Teaching Assistant & Studio Assistant

Brown University

Sep 2023 - Dec 2023 - Rhode Island

- Assisted on CSCI 2980 Reading and Research "Robots as Furniture" led by Professor Ian Gonsher
- Managed and organized CS Department Robotic Studio.

E-Board Member for Design/Visual Team

Brown I RISD XR HUB

Sep 2023 - May 2024 - Rhode Island

- Brainstormed and created overall visual aesthetic, graphics, animations, and Extended Realities artworks for XR Hub website and social media.

Mentor (Part-time)

Ivy Brothers

Sep 2023 - Nov 2023 - New York

- Guided high school students to build engaging history board game, and to design UI/UX for digital Applications.

Student Intern

Bangkok Bank SIP

Jul 2019, 1 Month - Bangkok

- Designed the UI prototype for BidbyBit (an online bidding platform that provides interactive shopping experience targeting urban millennials) and pitched the project to Bangkok Bank executives.

Education

M.S. Computational Design Practices

GSAPP, Columbia University

Sep 2024 - May 2025 - New York

MFA in Design Engineering (MADE)

Brown University I Rhode Island School of Design (Joint Program)

July 2023 - May 2024 - Rhode Island

Graduated with highest academic distinction

B.S. in Design and Architecture

Chulalongkorn University

Jul 2015 - May 2019 - Bangkok

GPA 3.64 (First Class Honors)

BFA Architectural Design

Parsons School of Design

2019 - New York

Visiting Student I GPA 3.85

Awards , Certifications & Exhibitions

Best Luxury Guest Rooms Finalist I 2022

For Centara Reserve Samui awarded by GOLD KEY AWARDS

INDA Studio Works Exhibition I 2017, 2019

Nominated as Top 8 Finalists for best design award at INDA Year-end Parade

Merit-Based Scholarship Recipient I 2024-2025

GSAPP, M.S. CDP, Columbia University

SIA Annual Exhibition I 2025

Featured project exploring AI and craft gestures at Spatial Intelligence & Architecture showcase, East Village, NYC

GSAPP End of Year Show: Actioning Summits I 2025

Exhibited as part of the summits highlighting collective student responses to urgent global questions at Columbia GSAPP

Skills

Design

Architecture Design, Interior Design, Furniture Design, User Experience,/ User Interface (Masterclass Certificate), Interaction Design, UX Research, Data Visualization, Prototyping, Visual Design, Illustration

Software

Adobe (Photoshop, Illustrator, Indesign), Adobe XD, Figma, Miro, V-ray, Enscape, Lumion 3D Blender, Final cut, Adobe (After Effects, Premiere Pro), AutoCAD + Autodesk Revit(BIM360), Rhino 3D + Grasshopper, Blender, Gravity Sketch, Fusion360, MetaSpark, TouchDesigner, ArcGIS

Professional tools (Microsoft Office Suite)

Coding (Java, JavaScript, Python, HTML, CSS)

Computer vision (OpenCV, Mediapipe, TensorFlow)

Fabrication

Physical Computing (Arduino, ESP32, microcontrollers)

Sensor integration (ultrasonic, IR, capacitive)

Wood Crafting, Clay sculpting, Mold casting (resin, plaster, concrete), Machinery works (drilling, grinding, welding) , Hand cut Modeling, Hand Crafting, CNC Milling, Laser cutting, FDM 3D Printing, Resin 3D Printing
